TruAssure Virtual Visits

DELIVERED BY TELEDENTISTRY.COM

Dental emergencies don't always happen during working hours. That's why TruAssure is partnering with TeleDentistry.com to offer our members 24/7 access to virtual dental care. Teledentistry is a convenient, safe and effective way to receive immediate care.

Members can use TruAssure Virtual Visits when:

EXPERIENCING

an after-hour
dental issue

FACING

a dental emergency
and you don't have an
established dentist

SEEKING

a dentist consult
without leaving
your home

TRAVELING

and need
dental assistance

TeleDentistry.com services are included in existing coverage for our members. In addition to a virtual consultation, a TeleDentistry.com dentist can write prescriptions when appropriate and refer to an in-network dentist if additional treatment is needed.
