

Finding a Network Dentist

TruAssure gives members access to an extensive nationwide dental network through the DenteMax and DenteMax Plus dental networks.* Hundreds of new network dentists are added each month, and all network dentists undergo rigorous credentialing before they can join the network. When TruAssure members visit a network dentist, they can save between 20-40% on their dental treatment.

Find a network dentist and start saving with TruAssure today!

1. Visit [TruAssure.com](https://www.TruAssure.com) and click on [Find a Dentist](#) at the top of the page.
2. To search for a dentist, you are required to enter your zipcode or address.
3. Select your search criteria. You can filter by distance, max number of search results, plan type and provider specialty. The "Sort by" drop down allows you to sort your results by distance, name, city, clinic name and zipcode.
4. You will need to select the type of plan you have. If you are a group dental plan member (you receive coverage through your employer/group), select **Group** as your Plan Type.* If you have a TruAssure Max Savings, Choice or Choice Plus individual dental plan, select **Individual Commercial** as your Plan Type.* If you have a TruAssure Basic or Preferred individual dental plan, select **Individual Exchange** as your Plan Type.*
5. By selecting **More options** you can search by a provider's last name and if the provider is accepting new patients.

Continued on next page.

6. Once you have entered your zipcode or address and selected your search criteria, click **Search**.
